

izona

is 218,961 square foot, ten-building
r in June of 1998. Located downtown at
a Placita Village consists of on-site restaurants, a health club,
courtyards, plazas, balconies, gardens and picnic areas
historic treasure a premier place to work and play.

Successful 1970's urban renewal project, La Placita Village, a
and retail project, is sizzling again. Upon purchase, MRO
when the government vacated nearly 40 percent of La Placita
present the perfect opportunity to re-tenant the property
restaurants, entertainment and retail to bring new life to
thought of as a non-descript government office project, a
colorization transformed La Placita into a colorful south-
